Gephi workshops

I organize online workshops and personalized trainings for Gephi, for beginners and experts. To schedule one or to get more information: analysis@exploreyourdata.com.

An entire plugin developed from scratch

This series was recorded from November 2022 to March 2023. It shows how I developed a plugin from scratch for Gephi: the "[Word Cloud](#)" [plugin](#), now published and accessible directly from Gephi.

Each episode of the series is chaptered, you can easily jump to specific part by looking up the description below the videos.

- [Browse the series on Youtube](#)
- The [resource document containing useful links](#) in relation to each episode
- the [twitch channel](#) where the sessions took place - subscribe for follow up projects!

Check the episode 1:
