Gephi workshops

I organize online workshops and personalized trainings for Gephi, for beginners and experts. To schedule one or to get more information: analysis@exploreyourdata.com.

An entire plugin developed from scratch

This series was recorded from November 2022 to March 2023. It shows how I developed a plugin from scratch for Gephi: the "Word Cloud" plugin, now published and accessible directly from Gephi.

Each episode of the series is chaptered, you can easily jump to specific part by looking up the description below the videos.

- Browse the series on Youtube

- The resource document containing useful links in relation to each episode

- the twitch channel where the sessions took place - subscribe for follow up projects!
